

Viper

Photo Kiosk and ATM Disinfectant / Cleaner

**For Clean, Germ Free Photo Kiosks
Rapidly Cleans and Disinfects in One Easy Spray!**

As Photo Kiosks and ATM machines are used more frequently and abundantly the need for keeping them in good clean condition becomes more evident.

Every day many people worldwide use self service kiosks for their convenience but are they aware of how many harmful germs and viruses can be found on kiosk screens and other equipment where hand contact is prevalent.

Viper is a NEW important but inexpensive tool for kiosk owners to protect themselves and their customers against viruses and germs. **Viper** kills germs on contact then dries quickly to leave surfaces totally disinfected.

Viper instantly cuts through dirt, dust, greasy finger prints, marks and other nasty contamination. Removes existing static charge and repels further build up. Leaves display screens clean, static free and crystal clear.

How To Use

Simply Spray **Viper** directly onto the surface and wipe/polish off using a clean lint free cloth.

Viper will totally disinfect the surface as it cleans leaving the display screen clean and germ free

Also use on: VDU's, Touch Screens, Telephones, Computer Screens and Key Boards, Photo Copiers and Scanners. Cleans and kills germs on contact.

Stops the Spread of Infection and Cross Infection
